

SAJINA PAUDEL

HEALTH INFORMATICS STUDENT | DIGITAL HEALTH | HEALTHCARE TECHNOLOGY

Banepa, Kavrepalanchok, Nepal | +977 9746289467 | sajinapaudel79@gmail.com | paudelsajina.com.np

SUMMARY

Health Informatics student at Kathmandu University with an interest in digital health, healthcare information systems, health data, and healthcare technology. Familiar with Python, Django, React, SQL, MongoDB, Microsoft Excel, QGIS, and health information standards including HL7 FHIR. Experienced in academic health-tech projects and recruitment-data support.

PROFESSIONAL EXPERIENCE

Data Entry & Recruitment Data Support — Everest Recruitment & Service Ltd.

- Performed data entry and candidate-record database cleaning to maintain accurate recruitment information.
- Used advanced Microsoft Excel functions to organize, track, and manage recruitment data.
- Supported efficient handling of candidate information and routine data-management tasks.

ACADEMIC PROJECTS

MedTracker — Medication Management & Adherence System

- Health-tech project focused on medication schedules, adherence records, prescriptions, health records, doctor notes, stock/refill tracking, and a doctor portal.

National Lifetime Health Record & Vaccination Tracking System

- Concept for a longitudinal health record connecting health events from pregnancy and birth through vaccination, disease, healthcare encounters, and death, using standards such as HL7 FHIR and ICD-10/SNOMED CT.

Drug Inventory & Expiry Tracking System

- Healthcare inventory concept for tracking medicines, stock levels, expiry information, and related management workflows.

EDUCATION

Bachelor in Health Informatics — Kathmandu University | Ongoing

Kathmandu University, School of Engineering / Department of Health Informatics

+2 Science (Biology) — Baylor International Academy | CGPA 3.12

SEE — Kshitij English Boarding School | CGPA 3.65

TECHNICAL SKILLS

Programming: Python, Django, React | Databases: SQL, MongoDB | Data & Tools: Microsoft Excel, QGIS | Health IT: Digital Health, HL7 FHIR, Health Information Systems

ADDITIONAL INFORMATION

-
- Languages: Nepali (Native), English (Fluent)
 - Strengths: Communication, teamwork, quick learning, data organization
 - Portfolio: paudelsajina.com.np
